

ECKVILLE CURLING CLUB

REGISTRATION FEES

Eckville Curling registration fees are comprised of the Membership Fee (assessed per person) and the Team Fee (assessed per Team). The total Registration Fees consist of all membership, registration, insurance and league fees (split between Eckville Curling, Curling Alberta, and Curling Canada), for the standard Team size.

Membership Fees - \$30.00

- Curling Alberta receives \$22.00 per participant from Eckville Curling for required registration and insurance fees on behalf of themselves and Curling Canada.
- Eckville Curling retains \$8.00 per participant for a Membership Fee.
- Teams that have more than the standard number of players (4 for the Open League and 2 for the Doubles League) registered to rotate through the line-up will be required to pay the Membership & Registration Fee (\$30.00) for each extra person.
- Any individuals that are not registered members of Eckville Curling and wish to 'spare' in any League will be permitted to do so, however 'spares' that play three (3) games or more must pay the Membership & Registration Fee of \$30.00.
- The Membership Fee (\$30.00) only must be paid once per person per year. Any person who registers to curl in multiple Leagues does not have to pay it a second time.

Team Fees - \$195.00

Team Fees have been determined based on the standard Team size (four (4) players for Open, Men's, Ladies' or Mixed Leagues and two (2) players for Doubles Leagues). The Team Fee will increase for Teams with 'Additional Players' (One (1) 'Additional Player' will add \$30.00 to the overall Team Fee / Two (2) 'Additional Players' will add \$60.00 to the overall Team Fee).

- Teams with less players than the standard Team size are still responsible for the full Team Fee.
- Teams with more players than the standard Team size will be charged the full Team Fee plus additional Membership Fees for each extra registered player.
- If Teams differ from the standard Team size, it is up to the players of the Team to work with the Lounge Manager to determine the per person split used to ensure the full Team Fee is paid.
- Fees may vary for other program options, such as Stirling and/ or Drop-IN.
